The Cause

“Many small people, in small places, doing small things can change the world” – Eduardo Galeano

Be one of the first to carry something in your store that you can be proud of! Besides our shoes being comfortable, durable and affordable people can walk with pride knowing that they are making a difference.

For every pair sold we pledge to donate to the girls of Casa Kamami in Guadalajara, Mexico who have been sexually abused and have no family members to claim them. We currently have 23 girls in the program from the ages of 3-28. We are proud to help donate towards their schooling, music lessons, doctor visits, therapy and food. Our piñata party proceeds will go toward their birthday dinner and gifts. Everyone deserves to get spoiled on their birthday!
